Toys for large parrots (baby squirrels LOVE them!)

Each week we spend at least \$25 on fresh fruits, veggies and yogurt for the six resident possums alone (this doubles during baby season!).

Obviously produce can't be purchased in bulk as it will spoil before we can use it all. The solution? Grocery store (Giant Food), Walmart or Costco gift cards!

Want to help...but you don't know what to get?

Petco, Petsmart and Walmart gift cards are great too!
